Dear Sir / Madam,

We have recently been informed by East Sussex Highways of some planned road works which could cause delays during busy periods.

So to help you plan your journey to the Bluebell Railway please take note of the following issues reported to us.

Location – The Kings Head, East Grinstead Road, North Chailey, East Sussex BN8 4DH.

Starting – Monday 15th January 2018 anticipated duration of 3 weeks.

There will be a lane closure and 3 way traffic lights on the East Grinstead Road at the junction with the Lewes Road. This will be reduced to 2 way traffic lights on the East Grinstead Road once the works adjacent to the roundabout are completed to minimise congestion.

Temporary bus stop have been arranged for those using the 121 bus service.

Location – Sheffield Bridge, Chailey (Image on reverse page)

Starting – Monday 5th February 2018 anticipated end date 2nd March 2018.

Working hours from 7am until 7pm, Monday to Friday.

Structural repairs to the bridge and substandard safety barriers. Temporary traffic lights and footway closures will be in place.

If you require further information please contact East Sussex Highways on 0345 60 80 193 or customer@eastsussexhighways.com

In light of the above information we want to assure you our planned train services will not be affected, please check your route before travel and allow extra time for delays in your journey.

Yours faithfully

Customer Service Team
